✉️ Warrendaly2@gmail.com

Computer Science student with hands-on experience developing projects in Python, Django, and MongoDB. Strong foundation in databases, algorithms, and web development, complemented by work experience that strengthened teamwork, problem-solving, and attention to detail.

Education

Bachelor of Science in Computer Science
Technological University Dublin, Dublin

2023
2027

· Coursework: Data Structures & Algorithms, Databases, Web Development, Object-Oriented Programming.
· Achievements: GPA 3.08 (Year 1).

Work experience

Retail Assistant
Primark, Dublin

July 2022
Current

· Managed stockroom operations, ensuring efficient handling and organization of incoming deliveries.
· Received, inspected, and verified accuracy of shipments, addressing discrepancies promptly.
· Organized and maintained inventory, ensuring items were correctly labelled and stored.
· Collaborated with store personnel to coordinate timely restocking and fulfilment of inventory requests.
· Maintained clean and safe work environment, adhering to all safety regulations and protocols.

Projects

Website Portfolio

2025

Developed a personal portfolio website, gaining hands-on experience with databases, HTML, Django, CSS, and JavaScript.
https://www.warrendaly.ie

Discord Bot

May 2023

Created my first project, a Discord bot which introduced me to MongoDB and strengthened my Python skills in API integration, event handling, and deployment.

IT skills

Programming Languages: Python, Java

Web Development: Django, HTML, CSS, JavaScript

Databases: MySQL, MongoDB

Skills

Analytical Thinking

Safety Compliance

Attention to Detail

Problem Solving

Team Collaboration

Certifications

Fundamentals of deep learning from NVIDIA Corporation
